RB 34 Sailing catamaran

Boat design: Albert Nazarov

RB 34 is a new concept specifically studied to be a safe and fast, family cruiser with plenty of space for storage, galley and accommodation; and a small but very functional charter vessel.

Simplicity

Easy handling in harbor and to sea, all function is accessible from fly bridge from driver seat.
Excellent payload will let you carry a jet ski on the cradles or running a diving business

Engine

Yanmar, 2* 14Hp (stdn) up to 2* 40Hp diesel with sail drive. Easy accessed from a hatch on deck.
With full load the engines have the power to give a travel speed up to 8 knot with two engines and with one engine about 5,5knot

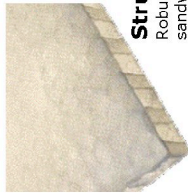

Mast

Mast and boom in cedar/epoxy/biaxial and stainless steel.
Standing rigging, can be raised and lowered without crane using winch. Total sail area is 50m² with main and jib.

Structure
Robust construction with sandwich material of Nidacore (honeycomb), biaxial and epoxy resin. Surface painted with Epoxy paint in the color of your choice.
Long life time, easy maintenance

Maintenance and storage on land

Can be easily beached, and transported on trailer without risks or problems.

Interior

Saloon with plenty of space, Sofa and ceiling in real leather, genuine teak floor covers floor.
Open design down to cabins and bathrooms. Pictures are from interior of charter version RB34 without full equipped galley. Shown material in pictures are standard in Nordic version.

Main saloon,
Two doors, version and 26" LCD TV

Main saloon

With sofa and two tables, on the right side you see the entrance to fore cabin and bathroom

Rear cabin.

Four spacey cabins with light hatches in ceiling and all four with a big closet.

Exterior

You will have plenty of favorite places to spend your time onboard. Pictures show charter version with small fly bridge for one person

Cockpit.

You find both a aft and bow cockpit, both with teak floor.
The aft is a extra living room where you can have barbeques in the evening.

Fly bridge and sun bed.

Fly bridge with space for up to 4 persons, give you control of the vessel, all ropes and winches is accessible from driver seat.
Sun bed at cabin roof for sunny days
